General Terms and Conditions

1. The following terms and conditions apply to all orders placed with DAD Deutscher Adressdienst GmbH (hereinafter Publisher). Any diverging agreements, including verbal agreements with Publisher's employees, are subject to express written confirmation by Publisher. The contract comes into force as soon as the signed order was mailed to Publisher, even if submitted after the "filing deadline" (could also be sent by fax or email) and if it has not been revoked within two weeks from the date of order by registered letter (the date of the postmark is binding).
2. Client agrees that any eventual correspondence will be carried out either in English or in German.
3. If Client is a resident in the EU and provides Publisher with a valid VAT-ID number, Publisher charges their services without German VAT. Should Publisher not receive the appropriate VAT-ID number they would be forced to charge VAT.
4. Publisher reserves the right to accept or to refuse the advertisement(s) ordered and to take decisions on placing and trade classification. Client is responsible for supplying accurate information for the advertisement. Should Client fail to send details together with his order, Publisher would use the available information including client's homepage to create the advertisement. The advertisement would be published that way until Client gives instructions for changes to be made. Client is responsible for providing notification of amendments. Proofs will be forwarded to Client on his request only. In case Client receives a proof of the insertion and fails to give instructions for changes and/or amendments, the proof would be considered as confirmed.
5. In case of incorrect or incomplete publication of data, partial or complete failure to include the information specified in the order, or in the event of incorrect allocation for which Publisher is responsible, Client shall be entitled to demand an amendment within two weeks without additional costs (correction) and an appropriate reduction of price. Publisher's liability that extends above and beyond the aforementioned, in particular in respect of damage compensations, is excluded.
6. The price quoted applies for one advertisement and for one year of publication unless specifically agreed otherwise. Prices are payable yearly. The price for the advertisement amounts to EUR 771 p.a. and is payable in advance within 14 days of the invoice date. If the consumer price index for Germany (CPI 2005 = 100) defined by the National Statistics Office increases or reduces by more than 5 % at the point at which a future invoice is due relative to its value on conclusion of the contract, then the price is adjusted by the same percentage. If the price is adjusted based on the above clause, the clause will become applicable again should the index increase by more than 5 % relative to the last adjustment. Client accepts Publisher's right to invoice the contractual amount in any other recognized currency.
7. Publisher reserves the right to publish Client's information in accordance with technological developments on other data carriers or by way of other media. According to § 33 of the Federal German Law of Protection of the Privacy of Personal Data, Publisher precautionary points out that for the purpose of compiling the register all data will be stored electronically.
8. Client recognizes the right of Publisher to assign this order - inclusive of all its rights and obligations - to a third party at any time.
9. In the event that individual provisions of this contract are wholly or partially ineffective, this will not affect the validity of the other contractual provisions.
10. German law is applicable. Publisher's registered office (Hamburg-Mitte) is the sole place of jurisdiction and performance. Publisher reserves the right to take legal action at the place of jurisdiction of the purchaser.
